ORDER

APPROVING AMENDMENTS OF CODE OF FAIR COMPETITION FOR THE DRESS  
MANUFACTURING INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of two amendments to a Code of Fair Competition for the Dress Manufacturing Industry, and the annexed report on said amendments, containing findings with respect thereto, having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, the National Industrial Recovery Board pursuant to authority vested in it by Executive Orders of the President, including Executive Order Number 6859, and otherwise; does hereby incorporate, by reference, said annexed report and does find that said amendments and the Code as constituted after being amended, comply in all respects with the pertinent provisions and will promote the policy and purpose of said Title of said Act, and does hereby order that said amendments be and they are hereby approved, and that the previous approval of said Code is hereby amended to include an approval of said Code in its entirety as amended, such approval and such amendments to take effect twenty days from the date hereof, unless good cause to the contrary is shown to the National Industrial Recovery Board before that time and the National Industrial Recovery Board issues a subsequent order to that effect.

NATIONAL INDUSTRIAL RECOVERY BOARD,  
By W. A. HARRIMAN, *Administrative Officer*.

Approval recommended:

PRENTISS L. COONLEY,  
*Acting Division Administrator.*

WASHINGTON, D. C.,  
*November 24, 1934.*

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: The Code Authority for the Dress Manufacturing Industry submitted two proposed amendments to the Code of Fair Competition for the Dress Manufacturing Industry. These amendments were presented to the Legal Division, Research and Planning Division, Consumers' Advisory Board, Labor Advisory Board and Industrial Advisory Board of the National Recovery Administration and received their approval.

One amendment was merely the correction of a typographical error in Article VI, Section 1 (b) of the Code which clarified its meaning. The amendment was in accordance with the standard form and consistent with the policy of the Administration. For this reason a Public Hearing was considered unnecessary and in lieu of the said hearing the amendment was approved in the form of a show cause order.

The second amendment was an addition to Section 14 of Article IX to the effect that, it shall be a violation of the Code for any member to accept orders from a resident buyer unless written authorization is either submitted with the order or is on file with the Dress Code Authority. This amendment was also in accordance with the standard form and consistent with the policy of the Administration. For this reason it was treated in the same fashion as the first amendment.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendments to said Code having found as herein set forth and on the basis of all proceedings in this matter.

The National Industrial Recovery Board finds that:

(a) The amendments to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the purpose of cooperative action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increased purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limita-

tion Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10, thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendments on behalf of the industry as a whole.

(d) The amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the effective date of these amendments.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*
